**Did you know?**

**1 in 5 children  
have a mental health issue!**

**Half of all lifetime cases  
of mental health issues**

**Begin by age 14!**

**22% of school students will exhibit  
challenging behaviors at some point in  
their school career.**

# Today's schools are asked:

- **To achieve more outcomes, do more with less money, educate students who are more different than they are alike.**

# Essential for Success in School Based Mental Health

- **Partnership between  
mental health & education**
- **Change in delivery of  
traditional Mental Health Services**

# **Positive Behavior Supports (PBS)**

**An integrated approach  
that promotes  
social & emotional well-being  
for students.**

Home ↔ School ↔ Community

Continuum of Academic and Behavioral Needs

**Students with a history of chronic and pervasive behavioral problems and associated academic deficits are more likely to go to jail than to graduate from high school.**

**People who have dropped out of  
school commit 82% of all crimes.  
(APA Commission on Youth Violence)**
